*** Billed to tenant; copies to owner**
**** Tier One: paid by tenant at actual cost**
Utility and upkeep figures are estimates until bills and quotes are in. Most upkeep labor is done by the tenant.
Stabilized year at the target case: 50% occupancy at $215 a night. Year 1 and the floor case are on page 2.

Year 1: target case with a staged opening. Rooms reach 75% of the stabilized year; the kitchen and bar open about three months later.
Floor: 36% occupancy at $210 a night, with a slower bar, fewer dinners and half the breakfast trade.
Fixed costs are shown for a full year in every case.
****** No minimum in Lease Year 1; from 2028, the greater of 10% of gross revenue or $19,800 a year. Before the $70,000 rent advance is credited.**
